BUSH KNEW

What Exactly Did Bush Know?

CBS News - May 17, 2002: *"President Bush was told in the months before the Sept. 11 attacks that Osama bin Laden's terrorist network might hijack U.S. passenger planes - information which prompted the administration to issue an alert to federal agencies - but not the American public."*

What Else Haven't We Been Told?

CNN - January 29, 2002: *"President Bush personally asked Senate Majority Leader Tom Daschle Tuesday to limit the congressional investigation into the events of September 11"*

"Privately Democrats questioned why the White House feared a broader investigation to determine possible culpability"

Larry Silverstein - World Trade Center Lease Holder: *"I remember getting a call from the fire department commander, telling me that they were not sure they were gonna be able to contain the fire, and I said, 'We've had such terrible loss of life, maybe the smartest thing to do is pull it.' And they made that decision to pull and we watched the building collapse"*

New York Firefighters - September 11, 2001:

"Fireman1: It was almost like they had detonators..."

Fireman2: Yeah, detonators..."

Fireman1: ...planted to take down the building"
